Dear Sir:

I understand my Ball Club is playing The Baltimore Elite Giants in Richmond on Monday, June 19th at May Island Park. We are leaving for a trip through North Carolina a few days later with The New York Black Yankees.

I would like to arrange to meet The Yankees in Richmond Wednesday Night, June 21st and play a game at your Park. I am contacting The Elite Giants today to learn if the two games will conflict. Please let me know if we can have the Park that Night, I will write you in the next day or so if the game can be played.

About the 30th we have decided to return home to play in Newark the 29th. I am sure we will be able to play several Negro National League games in Richmond during the next half of the schedule.

Thanks very much for your co-operation.

Very truly yours,
